The throat is the gateway to the body.

The air we breathe, the food we eat, the liquids we drink, all pass through it. It is very easily affected by cold, strain, exposure, etc., and Sore Throat is therefore ne of our most common ailment Strangely enough, it is also one of the most neglected.

Sore Throat is a very serious matter, for the whole system is in danger in consequence of it.

Every Sore Throat patient is a candidate for Tonsilitis, Quinsy, Diphtheria and other scricus or fatal diseases, all of which can be prevented by the timely cure of the Sore Throat by the use of TONSILINE. If taken in time a dose or two will do it.
